➤ Specific Call(s) of Note:

- May 9th: Material Sciences: Theft of two laptops from an unsecured office. Staff recall the suspect in the area. Again shows the importance of security doors and property while away, unattended items are easy to steal.

➤ Upcoming Events/Meetings/Training:

- Badger Watch Training May 31st at 12:00p to 1:00p at the UWPD Training Room. Lunch will be provided, parking is not available. [Register here in the Safety and Security section.](#)
- Heartsaver CPR/AED (SKILLS TEST ONLY) at the School of Nursing on June 19th at 9am and again at 10:30am. [Register here in the Safety and Security section.](#)
- Workplace Wellness Community of Practice at 21 North Park St at 8:30am. [Register here in the Wellness section.](#)
- Fire Extinguisher Training, Hands-On at Engineering Mall on June 21st at 1:00pm. [Register here in the Special Events section.](#)

➤ Badger Watch Recognition:

- Bill Vanderbloemen recently celebrated his 22nd year with UWPD and is an essential part of the campus's infrastructure security work at UWPD. He has been instrumental in the physical security and access control improvements and maintenance across the UW community.

➤ APB (All Points Bulletin):

- UWPD launches a campus lake rescue program for boating season. [Read more about it here.](#)
- We will be switching this Badger Watch Update newsletter to an online location rather than emailing it to everyone. It can be found on the UWPD website as well as on Twitter and Facebook. If you have any questions about this or prefer an emailed copy please contact us.
